

AD100

"Since 2014, Markham Roberts has been named to the AD100, Architectural Digest's prestigious list of the top 100 interior designers and architects in the world. He is the 2024 recipient of the Institute of Classical Art and Architecture's prestigious Arthur Ross Award for Interior Design, known as the Oscar of the industry.

Known for savvy, erudite interpretations that make old-school, all-American decorating fresh again, Markham Roberts pulls freely from European, American, and Asian influences, to superbly synthesize distinctly daring combinations of color, pattern, and style."
